## WARM WEATHER DAYS ARE HERE AGAIN!!

All of us are excited to put away our cold weather clothes and don summer gear. While our excitement is totally understandable considering we only enjoy 3 to 4 months of warmer weather, let us not forget that when we go to church to attend Mass, we should pay attention to propriety and modesty in our manner of dressing. Please do not wear shorts, low-cut blouses, spaghetti straps and miniskirts when attending Masses and church services. Remember, we can still look good and even more elegant and classy if we dress appropriately!

## Don't remember, re-live

The Eucharist is the living memorandum of Jesus' passion, death and resurrection. But it is not just a "mental" recalling. It is a "sacramental" reliving. There's a big difference. To remember is to look back, to think over a past event, a mental response. But vibrant, spiritual remembrance means bringing an event out of the past and experiencing it anew today. This is the real blessing of the remembrance Jesus called us to. We do not celebrate Jesus' past presence, but Jesus' real Presence here today, in wine made blood, bread made flesh. It is with this understanding that we gather around the Lord's sacrificial table in response to Jesus' invitation "Do this in memory of me."

## Join your fellow parishioners in wishing Fr. Richard Au

## KNIGHTS OF COLUMBUS Council 9846

The Knights of Columbus wishes to thank all parishioners who have faithfully attended our Parish Breakfast every month. During the summer months, we will not be having any this event, however, watch the bulletin for other great summer events.

The monthly Parish Breakfast is a great way for families to get together after mass and socialize, as well as have a great meal for only \$5.00. It also provides a regular avenue for the men in the parish to give of their time, effort and to practice one of the Knight's most cherished principles...that of Charity.

Some examples of our charity include helping our own brother Knights with financial assistance when needed, bursaries for our children and other expenses. We have also, on occasion, helped organize rides for parishioners, and once, one of our Knights saved the life of an older parishioner when he was sent to pick her up! And we also collect, package and disburse bread for needy families every 4th Tuesday of the month.

## Congratulations to St. Joseph's Archbishop Carney Grads

**PROJECT ADVANCE**

**Project Advance** is the key annual appeal for the Archdiocese of Vancouver. It is crucial to the Church's mission of providing services that benefit all Catholics and countless others in our Archdiocese. Not only does it provide for our local Church but it strengthens our parishes, helping each parish meet its own unique needs. It also helps support the many different ways we see the face of Jesus in our brothers and sisters – helping the most vulnerable by providing guidance, shelter, food and love to those who are homeless, abused and marginalized. You can donate to this important annual appeal at [www.rcav.org/giving](http://www.rcav.org/giving) or at your parish. Visit [rcav.org/project-advance/](http://rcav.org/project-advance/) for more information.
