Quite an impression

Who has influenced your life most for Christ? It's a tough question, but most of us can narrow the list down to two or three Christians who brought faith to life for us. Take a moment and remember what made these individuals so special. You might remember a brightness about their spirits, how they made life a little shinier, warmer, as if you'd moved a little closer to the sun. Or maybe it was the way they brought the flavor of God's love into the simplest of conversation, how their words seemed to drip with humility, compassion, a true taste of Christ. And that salt, that light, was infectious. You wanted what they possessed and they gave it almost invisibly. This is what it means to be the light and the salt of Christ: touching lives with the light of love and compassion, carrying the salt of truth and mercy to all those around us. What image, what taste are you leaving behind today?
